Can you let the drug lab know that EOPS is going to schedule a mtg with them at DPH in the next few weeks, along with MOSES and NAGE, to address any questions and concerns they may have about the upcoming transition?

Drug lab staff should forward any questions they may have to their respective unions (if they haven't done so already), who will relay them to EOPS.

Thanks,
Linda

Hi Julie,
We need to make sure that we have the go ahead from Labor to engage in these discussions, especially since MOSES has been at the table. Thanks.

See note from betsy below. We need to begin working on a transition plan w msp so we can put out some information to staff.

I heard a second "rumor" today that beginning July 1 drugs are going to be submitted to either Sudbury or Lakeville by local police departments.

If this is the case and plans are being laid out for changes then why has nobody reached out to us to let us know what the possible strategy is?

Finding out about changes in this manner is deeply offensive to all of us.
